Samantha Wallace

Founder, re-mom

Changing the narrative for working mothers everywhere.

Samantha is the Founder and CEO of re-mom, a boutique consulting firm that believes that supporting working mothers requires more than individual resilience; it requires better systems. At re-mom, Sam leads systemic change both in the workplace and at home, allowing mothers to thrive during working motherhood – one of the most significant transitions of their careers.

Samantha is an energetic, charismatic, and magnetic speaker that engages her audiences through spoken words of truth. A truly engaging speaker, Samantha commands the room through engaging thought starters that she calls "prompts and pauses", leading her audience through a memorable blend of "aha" moments coupled with self reflection. Described as authentic, relatable and empowering, Samantha's audiences connect to her on a truly human level. Like a good cup of coffee, Samantha wakes up her audiences in a warm, comfortable way.

Samantha leverages her background in Psychology, Maternity Coaching, and the science of Change Management to drive conversations that result in real, sustainable change. With a speciality in speaking about topics related to working mothers, Samantha is the merited choice for empowering female audiences.

Bio Summary (for emails, promos etc)

Sam Wallace is the Founder of re-mom, an organization that helps working mothers find work-life harmony. Re-mom's vision is to improve the quality of life of working mothers everywhere by making work-life harmony a standard experience. A bold ambition led by a bold woman, re-mom achieves this by coaching mothers directly, and by educating and supporting organizations in creating work environment structures that best support working mothers.

Sam believes that every working mother deserves to live flexible, comfortable, and satisfying lives. Sam leverages her background in Maternity Coaching, Psychology, and the Science of Change to produce shifts in attitude and approach in mothers and organizations alike, with a goal of changing the narrative around what working motherhood should look like, to what it could look like.

Mindset, values alignment, and strategic approaches to change are just a few of the principles Sam leans on to drive the reinvention of working motherhood.
